RE|ENGAGE MARRIAGE ENRICHMENT:

A better marriage starts here…

Re|engage brings couples together to learn about God's design for marriage and apply biblical principles for building a healthy relationship.

Experience what marriage is meant to be.

God has designed marriage to be a supportive, loving, life-giving relationship that mirrors His own unconditional love for us. Re|engage will help you better understand that design and learn how to apply it to your own marriage.

Re|engage is about relationships.

Our goal is to help you grow in your relationship with your spouse, with other couples, and with God.

Re|engage is for married couples.

Re|engage is for couples who are married (in other words, this is not for seriously dating, engaged, or cohabitating couples). Previously married couples who are separated or divorced and are considering reconciliation are encouraged to attend as well.

Examples of lesson topics:

- **Communication**- If you want a healthy marriage, you must be able to communicate effectively with your spouse.
- **Conflict**- Even the best marriages have some conflict or misunderstandings. The key is knowing how to resolve disagreements, learning how to avoid them going forward and transforming them into an opportunity to glorify God.
- **Growth & Commitment**- Marriages are not meant to be stagnant. You will learn about having growth in your relationship together, and keeping your covenant with your spouse as God has kept His covenant with you.

Large and Small Groups:

Every week begins with a simple dinner in a large group setting, where you will have some fellowship activities and hear stories from other couples whose marriages have been transformed. Re|engage leaders will also share practical steps you can take to improve your own relationship.

Participants will then break off into smaller groups with 4-6 other couples, led by a facilitator couple. Together, you and your small group will work through the curriculum and learn how to effectively communicate, resolve conflict, and grow closer to God and your spouse. Just like you, all couples in the group are seeking a better marriage and you will bond by sharing life experiences and supporting one another.

Alliance Friends Church Marriage Ministry will run the next session of Re|engage on Thursday nights from 6:30-8pm starting January 7, 2027 and ending on March 18. Regular attendance is important because the lessons build each week. You will also need to review the lesson at home and discuss a few questions with your spouse each week to get the maximum benefit from the course.

Cost is $80 per couple and includes lesson materials, 11 meals for couples and kids and a celebration the last week. Child care is also provided for ages 11 and under.
